2008 Golden Apple Award

The Golden Apple Awards Program is a teacher recognition program developed by the Fort Dodge Area Chamber of Commerce.

This is a great opportunity for our parents, grandparents, students, fellow staff members and community members to show appreciation to our dedicated teachers here at St. Paul Lutheran School by nominating them for this prestigious award. Our last recipient was in 2003 when Miss Kratz was named as a Golden Apple Teacher. Who will be the next teacher at St. Paul Lutheran School to be recognized as an outstanding educator?

Deadline for nomination is February 14th.
Please use nominating form attached to this newsletter.

Barnyard Buddies

So far this quarter we have collected **\$244.00** for our Barnyard Buddy - the camel. We are well on our way toward the purchase of one camel at **\$300!!!**

The A - Z of CAMELS

Behavior - Unpredictable at best. Camels have the reputation of being bad-tempered and obstinate creatures that spit and kick. In reality, they tend to be good-tempered, patient and intelligent. The moaning and bawling sound they make when they're loaded up and have to rise to their feet is like the grunting and heavy breathing of a weight-lifter in action, not a sign of displeasure at having to do some work.

POSITION AVAILABLE: An After School Care Provider is needed to assist Wanette Bird. This position will start March 1; hours are from 2:45-approx. 5:00-5:30. Please contact Mr. Sommerfeld if you are interested in the position.

Hearing Screening

The AEA staff will resume the hearing screening tests for MWF preschool through 4th, and 8th grade students on Friday, February 1. You will be notified if it is detected that your child has a hearing loss.
